FURS are growing in popularity from day to day, and deservedly so. There is no other wearing appared that can, even remotely, replace these rich, dressy articles. In purchasing FURS great care should be exercised, became there are so many inferior grades on the market which, perhaps, look well at the time of purchase, but gives no service, and looks shabby after being wornone or twice.

Ruy your FURS of a reliable dealer only, and be assured that you receive value for your money. Our stock of Ready-Made FURS are the most complete ever
